Focus on Learning - Activities

**Drama Games and Yoga**

Our Activities group may have been small in number but we had loads of fun and lots of great learning experiences! In Drama we played physical, verbal and concentration games. Our favourites were *Wink*, *Murder* and *Look down, look up*. Yoga and tai chi with Mrs Lindstrom, was very relaxing, challenging at times, and definitely fun!

**Logic Puzzles and Games**

We combined a computer group and a games group to learn how to play a variety of logic and thinking puzzles. We voted the best activity as an online computer program called *Minecraft*, where you build houses, make accessories and defend yourself against other group members. We played a card game called *Slam* where you begin with one word and then slam letter cards down to change a letter and make a new word. We also played solitaire, Yahtzee, Sudoku, Pyramids, Jenga and logic games.

**Classy Arts**

During the 4 weeks of activities we learned how to make a tie-dye and how to create different patterns on fabric. Our fashion accessories were a lot of fun to make. We made felt flower headbands, fabric brooches in different shapes, pearl and flower necklaces and denim bracelets. We are probably the best accessorised girls on the coast.

**Curl up with a Book**

Each week we had different stories. Some we played very loud instruments and acted out and some we curled up with our cozy hot water bottles.

**Spinning and Weaving**

**Dolls Houses**

**Glee Club**

**Gymnastics**

**Finger Puppets**

**Canteen Cooking**

**Magic Rocks**

**Camp Fire Cooking**

**Woolly Warmers**

**Print Making**

**Construction Challenges**
