Grade 5-6 have again entered in the Lions Club Peace Poster Contest 2011, sponsored by Rocky Cape Lions Club. This international competition asks students to create a wordless poster to illustrate a theme of Peace. The theme this year was Children Know Peace. As usual, the judges were highly impressed with the quality and standard of all the posters entered and had a difficult decision on awarding first prize. Ginger in 5-6T will be representing the school with her poster this year at the Lions State Conference, and hopefully her artwork will be chosen to represent Tasmania in the second selection process. Our school Peace Prize has been awarded to Gabby in 5-6H. Congratulations to all who entered on their fabulous pieces of artwork, all of which are on display in the Hall.
